

PACK 333 PARTICIPATION WAIVER AND PARENTAL ACKNOWLEDGMENT

I understand that my participation and my scout's participation in Cub Scouting events are voluntary and many Cub Scout activities and events, including but not limited to camping, parade floats, hikes, bike rodeos, meetings, field trips, etc., may involve a certain degree of risk. I have carefully considered the risks and have given members of my family, as well as any others entrusted to my care, permission to participate in those activities. I agree to hold blameless leaders and members of Pack 333, St. Matthew's Lutheran Church and its members/leaders, the Boy Scouts of America, landowners and operators of any facilities used during such activities for any accident or injury that may occur. I acknowledge that I am ultimately responsible for the well-being of my family members and my guests during such activities.

I hereby certify that I have received a copy of Cub Scout Pack 333's Code of Conduct and Scouting Practices. I understand that conformance to these rules/regulations and the liability terms specified above are required to participate as a member of Pack 333.
