

Scouting for Food and Scouts!

Distribution: February 18, 2012

Pick-up: February 25, 2012

An upcoming event, "Scouting for Food," will be conducted in the Rowan District a short week from now! Please help us to quickly mobilize every Cub Scout Pack, Boy Scout Troop, Venture Crew and Explorer Post for participation.

Units should identify neighborhood(s) near their meeting locations and be ready to distribute door hangers describing the project. Door hangers will be given to units at the Scoutmaster's Appreciation Dinner and Camp Barnhardt on Wednesday, February 15th, or by contacting Joe Moran (704-798-7378), Jim Sawyer (980-621-1929), or any member of the Rowan Commissioner Staff. Participants may choose to combine this with promotion of the upcoming Camp Card Sale or a unit level recruitment effort.

Residents will be directed to fill a grocery bag with non-perishable food items, and place the bags on their doorsteps. On the morning of 2/25, Scouts will retrieve all bags and bring them to Citizen's Bank of Salisbury (corner of Innes St. and Long St.) to be sorted before taking them to the final destination at Rowan Helping Ministries.

The time is short, but the need is great and Scouts are the key to success!
